Gawah

I used to know a polite girl who never failed to thank me for anything I did for her, no matter how trivial. Then as it happens we parted ways, but since I kept in touch with the family I heard occasional snippets about what she was doing.

Then one fine morning when randomly perusing the news I came across this article:

<http://www.thenational.ae/arts-culture/film/gauri-chadha-focuses-on-the-victims-of-the-mumbai-attacks-in-new-film>

Way to go Gauri for your sensitive portrayal that will tug at the heart strings and remind us that as citizens of the world we all need to stand united and do our bit to fight this nasty, brutal, ugly thing of terrorism.
